REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The prior art of record does not suggest searching through a listing of proxy servers whereby matching a source address of the request to a listing of proxy servers which include wildcards to cover a span of addresses, whereby the wildcard addresses represent a plurality of addresses which fit the criteria set forth by the wildcard characters. These limitations, in conjunction with the other limitations of the independent claims, render this case in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
